Duxbury Beach is on the South Shore of Massachusetts Bay 30 miles from Boston. The first plan for laying out this Beach was made by CLAS. F. PARKS in 1883. This was changed, added to, and laid out on the ground by LAWRENCE BRADFORD in July, 1888. A right of way for a road is reserved from these Lots when sold, to be located between the ridge and high water line on Duxbury Bay side.
